## PREAMBLE

THE UNITED KINGDOM OF GREAT BRITAIN AND NORTHERN IRELAND (hereinafter referred to as "the United Kingdom") and JAPAN (hereinafter referred to collectively as "the Parties"),

CONSCIOUS of their longstanding and strong partnership based on common principles and values, and of their important economic, trade and investment relationship;

RECOGNISING the importance of strengthening their economic, trade and investment relations, in accordance with the objective of sustainable development in the economic, social and environmental dimensions, and of promoting trade and investment between them, mindful of the needs of the business communities of each Party, in particular small and medium-sized enterprises, and of high levels of environmental and labour protection through relevant internationally recognised standards and international agreements to which both Parties are party;

RECOGNISING that this Agreement contributes to enhancing consumer welfare through policies ensuring a high level of consumer protection and economic well-being;

REALISING that a dynamic and rapidly changing global environment brought about by globalisation and closer integration among economies in the world presents many new economic challenges and opportunities to the Parties, particularly the growing significance of digital trade based on the principle of the free flow of data;

RECOGNISING that their economies are endowed with conditions to complement each other and that this complementarity should contribute to further promoting the development of trade and investment between the Parties by making use of their respective economic strengths through bilateral trade and investment activities;

BELIEVING that creating a clearly established and secured trade and investment framework through mutually advantageous rules to govern trade and investment between the Parties would enhance the competitiveness of their economies, make their markets more efficient and vibrant and ensure predictable commercial environment for further expansion of trade and investment between them;

REAFFIRMING their commitment to the Charter of the United Nations and having regard to the principles articulated in the Universal Declaration of Human Rights;

RECOGNISING the importance of transparency in international trade and investment to the benefit of all stakeholders;

SEEKING to establish clear and mutually advantageous rules governing trade and investment between the Parties and to reduce or eliminate barriers thereto;

SEEKING to increase women's access to and ability to benefit from the opportunities created by this Agreement and to support the conditions for women to participate equitably in the domestic and global economy;

RESOLVED to contribute to the harmonious development and expansion of international trade and investment by removing obstacles thereto through this Agreement and to avoid creating new barriers to trade or investment between the Parties that could reduce the benefits of this Agreement;

BUILDING on their respective rights and obligations under the WTO Agreement and other multilateral, regional and bilateral agreements to which both Parties are party; and

DETERMINED to establish a legal framework for strengthening their economic partnership,

HAVE AGREED AS FOLLOWS:
